## Practiced in Fleming Yesterday Afternoon

The Grange City Precinct in Fleming county gave Judge Bennett 149 votes and James N. Kehoe 89 votes for Congress, a majority of 60 for Bennett.

The officers of election failed to make out the certificate as to the result in the ballot box, but duplicate certificates were made out and given to each of the election officers.

These duplicates as to the result in this precinct were before the Election Commissioners on yesterday, but they refused to consider them, and arbitrarily deprived Judge Bennett of his majority in this precinct.

This is correct; THE LEDGER has seen one of these duplicates, signed by Eliza Richards Judge,

Ed. Collier Judge, B. H. Rice Sheriff, and Louis Ratliff Clerk.

The following table shows the vote up to this morning, and is very near official—

|           | Kehoe. | Bennett. |

### THE MOONSHINER'S DAUGHTER.

The production of the big scenic sensational melodrama, "The Moonshiner's Daughter," is announced for Monday night at The Washington and there is every indication of a general interest being taken in the event, as it is a play way out of the ordinary and embraces a series of sensational pictures as well as a pretty love story away from the conventional. The comedy element is also of the breezy, snappy sort and a general dash assists in the action. Every piece of scenery required by the production is carried by the management and is both massive and picturesque, the destruction of an illicit still by dynamite being particularly effective. Seats on sale Monday at Ray's.

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. P. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

THE Democratic "sports" who were hunting for THE LEDGER's "Second Street Merchant" are now sorry that they found him.

WHAT did the Woggle Bug say?

SAM STAIRS says it was because there were too many Republicans and not enough Democrats.

WILLIAM JENNINGS BRYAN says it was because of his party's cowardly policy;—and he's the biggest Democrat in America today.

HENRY WATTERSON says it was a revolt against the present leaders of the party; and he serves notice on them to get off the earth.

JUDGE PARKER says it was because they entered the canvass with every Northern, Western and Eastern state, save one, in Republican control.

JIM KETCHER says it was because the Old Guard Republicans of the Ninth District wouldn't stand for the nomination made by the Federal Office-Holders' Convention at Cincinnati.

WILLIAM R. HEARST says it was because of the Democratic party's connection with the Wall Street Influence; and he wants a reorganization eliminating the fellows that have money to burn.

And now, once more—

What did the Woggle Bug say?

It was charged before the election that the Standard Oil Company was backing the Parker campaign; and it appears to have made a good job of—backing it off the earth.

Our friends the Democrats will still be permitted to pay taxes and buy granulated sugar made by Havemeyer's Democratic Trust at 5 1/2 cents a pound—less than they used to pay for the strong and "yaller" New Orleans stuff.

It is estimated that ROOSEVELT will have a majority of 1,500,000 of the popular vote. This more than doubles the previous high-water mark of 7,207,923 received by McKinley in 1900. Judge PARKER was right when he told the President that the people by their votes had "emphatically" indorsed his Administration.

BEFORE the tidal wave a great many Democratic Editors threw fits over President Roosevelt's well known pluck—which they were pleased to call "Militarism." Following the flood, Emperor WILLIAM of Germany sent this cablegram to the President—

"NEW PALIS, November 9.  
President Roosevelt, U. S. A., Washington: Sincerest congratulations. May Heaven give your prosperity. Tuum quod bonum felix faustumque sit populo Americano."  
"WILLIAM, I. R."

So, as Mr. WATTERSON would say, the Kaiser has caught the President red-handed—he's got the coat on his back! And now, if THEODORE doesn't accept WILLIAM's challenge, and take him out in the back yard and shoot him full of holes, he isn't the kind of cat that THE LEDGER thinks he is.

MONEY TO BURN

Carelessness of a Woman Caused the Burning of \$120

Dick Bullett, colored, of Manchester, O., is evidently a money maker as well as a money saver—judging by his bank roll.

Yesterday he had occasion to visit Ripley and having plenty of time he stopped off here to pay his sister, Susan Dimmitt of Maddox avenue, a short call.

Before leaving he left in possession of his sister a savings bank containing \$120 for safe keeping.

For the time being she placed the box containing the money on top of a coal bucket and went about her work.

Some time had elapsed, and the fire in the stove needing fuel she thoughtlessly picked the bucket up and dumped the contents into the fire, savings bank with it.

When she looked for the bank it came to her mind what she had done.

The box was fished out of the stove, but the contents were burned up with the exception of two \$20 gold pieces, and they were badly disfigured.

The thought of the misfortune she had brought upon her brother caused her to collapse from nervous prostration.

For a time her condition was serious, requiring the attention of Dr. Stevens for several hours.

The present wet spell is making the river men more hopeful, and if it continues for a day or two longer, preparations will be made for sending crews and getting the boats and tows up.

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," says R. S. Webster A. Co., Udon, Ontario, Canada. For sale by all Druggists.

Insanity, Death or Health?

No. 2807 Locust Street, St. Louis, Mo., March 25, 1904.

I was a victim of sleeplessness and extreme nervousness for eighteen months, unable to get a proper night's rest and feeling tired and worn out continually. I was easily irritated and hysterical at the slightest provocation, but Wine of Cardui gave me great relief. Within a week after I began using it I had my first real good night's rest that I had had for months. My appetite was soon restored, my general system toned up and nervousness became a thing of the past.

I am so pleased to acknowledge the great curative merit of your health giving medicine and gladly endorse it.

Harriet O. Best  
CHESAIRE, LADIES OF HONOR, No. 77.

WINE of CARDUI

We want to call your attention to the complete and immediate relief Mrs. Best secured by taking Wine of Cardui. Within a week after she began taking Wine of Cardui, Mrs. Best had her first good night's rest for eighteen months. Her restlessness was caused by nervousness and Wine of Cardui, as the best menstrual regulator, has no superior in the world as a medicine to soothe a woman's nerves. Nervousness and hysteria are warnings of the approach of insanity and if relief is not secured the end can only be the asylum or the grave. With such an outlook as this before her, no suffering woman can reasonably refuse to give Wine of Cardui a trial. It brings a cure that thousands of women have sought for in vain. Will you secure a bottle of Wine of Cardui today and start treatment?

All druggists sell \$1.00 bottles Wine of Cardui.

Extensive increases are to be made in the Brazilian Army and Navy.

The trade in gum arabic from the Sudan shows an enormous increase during the last few months. In July, 1904, the exports were 2,318,778 pounds, valued at \$116,981. Of this amount the United States took \$17,656 worth.

The potato crop in Austria-Hungary is so short this year that it will practically all be needed for food. There is, consequently, an immediate demand by manufacturers for potato starch, of which there is an abundance—in fact, Austria-Hungary has in other years exported potato starch.

Mexico is credited as being at the head of the Latin-American countries in the matter of letters. Besides possessing the oldest organs of Spanish-American journalism, it is said to have in active existence the first library established in America, which is now at least three hundred years old.

W. M. Boggs had a narrow escape while driving into Maysville Thursday of last week. He was crossing the C. and O. tracks at Carmel street, when the gates were shut down, inclosing him on the tracks, with no way of getting off. His shouts and shouts of bystanders, however, succeeded in having the

gates raised before the train passed. If it had been a passenger train instead of a freight the consequences might have been worse than a mere scare. The gate-keeper had gone off down town leaving a boy in charge of the gate, which wreckless carelessness should not be tolerated by the Railroad Company. Several persons have already been killed at that crossing.  
William Ferguson moved this week to the farm he recently purchased of J. E. Hall, and William Gill has moved into the house vacated by him.
